SLIDE 01 — SESSION OVERVIEW

The PM You Were Built to Become

How AI expands what's possible for project leaders who were never meant to fit the mold

Presented by **Dr. Syreeta Rios, DBA, PMP** · The Fashionable PMP

Aligned to conference theme: **"Your Human Edge in an AI-Evolving World"**

This session reframes AI as a leadership multiplier — amplifying your most human qualities.

P **Perceive Differently**
Surface blind spots AI reveals

M **Multiply Your Impact**
AI as your execution partner

A **Advocate with Evidence**
Make your value undeniable

I **Innovate Your Leadership**
Redefine what's possible

What attendees walk away with

Concrete, immediately applicable tools — open on Monday morning

1. **Apply** the P.M.A.I. Method™ to leverage AI strategically across key PM workflows and leadership challenges
2. **Design** a personal AI adoption strategy aligned to career stage and leadership goals
3. **Identify** at least three friction points where AI can reduce effort and amplify visibility

P.M.A.I. Framework Card

A portable reference for daily PM workflows

Personal AI Adoption Statement

Built live in the session, ready to execute

PM Prompting Guide

Ready-to-use prompts for risk, status & stakeholders
