

PSG Global is a leader in developing and integrating Government-Off-the-Shelf (GOTS) and Commercial-Off-The-Shelf (COTS) security solutions for the critical asset marketplace.

We are currently seeking a certified Project Management Professional on a 1099/contract basis to assist with large-scale proposal work, specifically in developing complete and detailed project schedules for submittal. Candidate will possess extensive schedule management experience in Microsoft Project. Experience in WBS and BOE format/structure/write-ups is a plus!

Candidate will work on a per project/proposal and per hour basis. Remote work is acceptable, but would prefer some time spent in the Austin, TX office. This would be a great opportunity for those looking for supplemental income.
